

SKYSCRAPER

SOFTWARE

Skyscraper Software GmbH

GRÜNDUNGSJAHR	2015
FIRMENGRÖSSE	1-9
BRANCHE	IT, Software Development, Healthcare
TÄTIGKEITSBEREICH	<p>We focus on developing health care software products. We mainly design and develop products for the after-care of patients who have had an operation.</p> <p>We also create great custom software solutions for small and medium enterprises. We highly value creating software that fits the strategy and needs of our customers.</p>
